Financial Report:

- 20 outstanding checks with some teacher reimbursements. \$4,769.25 over fundraising goal. End of year lines accounted for. Buses for 2nd, 4th, 5th and music field trips paid. Check has been delivered to Primary for their last in school enrichment. Photographer still owes us for Elementary School. Just received a BBBS check for \$225.60 which was over our estimated.
- Proposed Budget for 26/27- Projected- Jess F. looking to increase in school enrichment and extra for field trips (maybe go from \$20 per student to \$25). After asking principals for input on where they would like the extra money to go, Primary would like prizes to reward good behavior. \$1,000 will go to each Principal in a new line titled "Primary/Elementary Student Incentives". General Office Line for PTO Operations will be \$3,000 to give more wiggle room if field trips or teachers go over. Holiday Shoppe changed to \$4,500 for 2027. Teacher accounts will have one less teacher so will go down to \$600. If Ms. Taudel didn't use the \$500 Title 1 donation we will split between the principals for math manipulatives.

A motion to approve the 2026-2027 budget was made by Kerri and seconded by Jess F. Approved unanimously.
